AGM 2020

As detailed in the AGM notice, due to Covid-19 we are unable to host our AGM in person the way we normally would. To meet our legal obligations and report to the Charity Commission on time we need your help. To have a postal ballot would have used much needed funds. We hope you agree and understand that this is a good alternative during these unprecedented times.

Please read the Annual Report, a PDF copy is available on the TSSS[UK] website <https://tss.org.uk> or follow this link <https://tss.org.uk/membership/tsss-governance>

If you would prefer hard copy, please request one by e-mailing turner.syndrome@tss.org.uk or by calling Arlene on 07947 554587 and one will be posted to you,

A summary report is available in the newsletter which should be with you shortly.

A copy has also been posted on the Members Only Facebook Page for your information.

Once you have read the content please, take a minute to complete our brief survey. This will allow us to record your votes for the Financial Report and Trustee elections in the minutes.

All votes must be cast by 23rd November 2020

Yours sincerely

Arlene Smyth
Executive Officer
On behalf of the TSSS Trustees
