

I Am Enough

By Daphne Willis

All of the lies I believed got the better of me
Never thought there could be so much doubt
All the blame and the hate, the self-hurt and the heartbreak
A fist that kept holding me down

And I was my own worst enemy
And I found my way through it all and finally I see

I am enough
Just as I am
Feel right at home anywhere that I stand
Hold out my heart in the palm of my hand
And I live my life like nobody else can
I am, I am
I am enough

I am enough for the laughter
The life that I'm after
Enough for my wildest dreams
Yeah, cuz every flaw from my toe to my jaw
Is exactly where it's supposed to be
And I know I got something to say
And I'm gunna remind myself every day

I am enough
Just as I am
Feel right at home anywhere that I stand
Hold out my heart in the palm of my hand
And I live my life like nobody else can
I am, I am
I am enough

Oh, I used to look in the mirror and see all the fear
I could see all that fear in my eyes
Then I saw it get clearer like, like the blue in the sky
After that storm rolls through, the sun will shine down on you

I am enough
Just as I am
Feel right at home anywhere that I stand
Hold out my heart in the palm of my hand
And I live my life like nobody else can
I am, I am
I am enough

I'll sing it again
I am, I am
I am enough
All those lies I believed, got the better of me
Never though there could be so much doubt
